Harker Heights Kiwanis Club Meeting 02-21-17

Speaker: Bill Griffith

Topic: Network Security - A computer **network** is a group of two or more computer systems linked together. Examples include local-area networks (LANs) and wide-area networks (WANs). **Security** - freedom from people who should **not** be on your network. Examples of serious breaches have been with Yahoo, Verizon, LinkedIn, OPM and locally the Belton ISD. These breaches give unauthorized individuals all the personal information those companies have on each of us. This can result in total identity theft. Protect your self with a good virus protection, do not have your password a regular word or numbers such as 12345678. Use upper and lower case, include numbers and symbols. Don't use public internet if you can help it. Others could access your device and steal all your information. Also have a code on your network at home. For more information or concerns on how to set up a secure environment see Bill Griffith.

Joke: Dick Dinwiddie – Patty needed a job before she started with the city. She goes to a men’s store. The owner says I will give you the job if you can sell that suit hanging there (ugliest green & yellow suit you ever saw) while the owner goes out to do his errands. Ask Dick how Patty fared that day. 😊

OLD FASHION HOME SCHOOLING: *My Mother taught me:* TO APPRECIATE A JOB WELL DONE ... “If you’re going to kill each other, do it outside. I just finished cleaning”; RELIGION ... “You better pray that will come out of the carpet”; MORE LOGIC... “If you fall out of that swing and break your neck, you’re not going to the store with me”; FORESIGHT ... “Make sure you wear clean underwear, in case you’re in an accident” ; THE SCIENCE OF OSMOSIS ... “shut your mouth and eat your supper”; CONTORTIONISM ... “Just you look at that dirt on the back of your neck”; STAMINA ... “You’ll sit there until all the spinach is gone”; and WEATHER ... “This room of yours looks as if a tornado went through it”. *My Father taught me:* TIME TRAVEL ... “If you don’t straighten up, I’m going to knock you into the middle of next week”; LOGIC ... “Because I said so, that’s why”; IRONY ... “Keep crying, and I’ll give you something to cry about”.
