

## AMERICAN FLAG DELIVERY

The Kiwanis Club of Harker Heights (a non-profit service organization) would like to provide flag service to your home. Six times each year we will assist you in displaying your patriotism on Memorial Day, Flag Day, Independence Day, Labor Day, Columbus Day, and Veterans Day. Many of your neighbors already have signed up. It is not too late to start service on this upcoming holiday if you act now! In return, we ask for a yearly donation of \$25.00.

Some of the many organizations or programs that benefit from the work we do are:

- P.R.Cox/ Bill Davis Memorial Scholarships for HHHS students
- Peaceable Kingdom Retreat
- Harker Heights Santa Pal
- Children's Miracle Network
- Ronald McDonald House
- Indian Oaks Nursing Center
- HARP Program
- Meals on Wheels
- Harker Heights Schools
- Easter Sunrise Service

Installation will be done by the Harker Heights Kiwanis Club. This will consist of a one foot long plastic pipe drilled into the ground on the corner of your lot near the curbing. The flag is 3' x 5' mounted on a 9' metal pole. On the above listed days the flag will be placed on your yard in the morning and picked up that evening. The Kiwanis Club owns the flags and will store and maintain them between display days. In the event that we are unable to place a flag on any of the dates listed above, another appropriate date will be selected so that you receive a minimum of six deliveries in a twelve month period. If interested in providing flag service to another address of a family member, friend or neighbor in Harker Heights please include the additional information on the form along with your donation.
