### HH Kiwanis Club Meeting 02-11-25

**Speaker: Lisa Youngblood, Director of Library Services**  
**Topic: Working with teens-** Many volunteers are teens and Lisa loves working with them. We have an active Key Club at Harker Heights HS. 3 years ago KISD redistricted with the addition of Chaparral HS. Harker Heights teens can be going to Early College, KHS, HHHS, Chaparral, home school and private school. The job/work force has a lot to offer teens in the area. Teens want to make a lot of money right now, want flexible hours and weekends free. Retirement and stability is not something they think about. A lot of the new hires in business is the 55 up because they have stability. Some teens consider the military but must be able to have patience, be able to move and start over. Some teens may never want to move away from home and out of their comfort zone. Many of the programs and volunteer opportunities at the library and in the city help teens make their important life decisions.
