Speakers: Margaret Smith

Topic: Saving Grace Sanctuary is a nonprofit program, 501(c)3 located in the outskirts of Killeen, Texas. The organization was created to enable people with different abilities to learn to ride horses or have a horse experience. Our program provides horseback riding lessons and horse rides. Horseback riding provides therapeutic benefits for all! We provide equine activities that are exciting and fun using E.A.L.-Equine Assisted Learning. We want to provide a unique experience for each client. Collectively our all-volunteer staff has over 70 years of experience as educators and has worked with horses over the last 20 years. We have worked and provided services for people of various ages and disabilities such as Autism, Down Syndrome, Deaf/Blindness, ADHD/ADD, to name a few. We are proud to support our veterans and welcome them to our program. Donations are accepted.
