

History of Kiwanis Club of Harker Heights

The name "Kiwanis" is taken from an American Indian term "Nunc Kee-wanis" which roughly means "we trade," "we share our talents" & "we have a good time." The Kiwanis Club of Harker Heights was chartered in March of 1971 to Division 23 of the Texas/Oklahoma District. Our current membership is made up of 22 men and women who are dedicated to improving the lives of children in our Central Texas communities. We encourage visitors to enjoy our weekly meetings, and community members are invited to apply for membership. Our club enjoys a variety of activities for friendship and fellowship in a Christian environment. Members may attend International Conventions and seminars and to train with other Kiwanis clubs. Inter-club meetings with other District 23 clubs provide a means to share ideas and make contacts within our communities.

Our club supports a large number of children's charities and programs:

\$1,500 scholarships to HHHS seniors
Children's Miracle Network,
Ronald McDonald House, Santa Pal,
Peaceable Kingdom, local food banks, Key Club projects, and Kiwanis International programs such as IDD (iodine deficiency disorders) and Eliminate (neonatal tetanus)
