Speaker: Marcine Chambers, Development Manager

Topic: Salvation Army: Red Kettle and Angel Tree

The Salvation Army Mission Statement: The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination. **The Red Kettle** is their largest fundraiser. It begins the week before Thanksgiving in select locations and the rest start the day after Thanksgiving. This helps support the food pantry, housing and all kinds of a hand up. **The**

McLane Center of Hope Shelter: Our goal is to house an individual or family within 30 days. Our case workers can tailor the program to meet the specific needs of the individual. After the client leaves our program and moves into a home, our case managers continue to come alongside them for up to two years to offer the support necessary to ensure they maintain long term self-sustainability. **Angel Tree Program:** Each year, The Salvation Army serves 30 million people in America, and this holiday season, they are seeking to serve and love beyond all else those in your community who are struggling to make ends meet. The Angel Tree program of Bell County helps families in need by providing new clothing and toys to 1300 children each year. Your generous gift from this registry will bring joy to a local child.
