**Topic:** Santa Pal Program has been in Harker Heights for about 35 years. They will be serving 62 families which is about 200 children. Families will receive a full holiday meal and toys for kids 17 and under. Families also signed up for a Thanksgiving meal. They buy gift wrap and gift boxes to also give the parents so they can have the whole Christmas experience. The donations come from many organizations in the community. Our club is donating \$250 plus members brought in toys. Key Club members may also be there on Friday evening to help sort and pack the gifts for the families.

**Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.**
