HH Kiwanis Club Meeting 10-13-26

Topic: Youth Protection Policies & Procedures: Every club is required to inform and educate its members annually. Criminal History Background Checks must be done every 2 years on anyone serving as an Advisor to a Service Leadership Program. Chaperones must have a clear criminal history background check. Overnight events must have 1 adult per 10 students. One male and one female for each 10 or part of 10. Single day events must have 1 adult per 50 students. When transporting youth use the best practice of the "rule of three". At least 3 in a vehicle and approval from the parents. When attending a Kiwanis event for youth it is prohibited for the use of alcoholic beverages, tobacco and marijuana products or any kind of illegal drugs. Prescription drugs and non prescription medication by youth should be with written permission of the parent/guardian. Reporting: If you observe troubling behavior involving youth at a Kiwanis event you must contact the appropriate personnel at the event and law enforcement as appropriate. Kiwanis now offers a confidential help line at 1-866-607-SAFE if necessary. Personal information of students attending a Kiwanis event must be protected and kept 3 years then destroyed. Limit who can have access to this information. Adults can not initiate contact with youth on social media. Have permission prior to posting photos and information on media. Kiwanians should refrain from counseling youth and should find an appropriate expert to assist. Whenever these policies conflict with local school policies or rules, or local, state or national laws the highest application standards for conduct should prevail.
